UBISOFT

PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.

WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

**Convulsions
Altered vision**

**Eye or muscle twitching
Involuntary movements**

**Loss of awareness
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
 1. Sit or stand as far from the screen as possible.
 2. Play video games on the smallest available television screen.
 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.
 5. Take a 10 to 15 minute break every hour.

WARNING - Radio Frequency Interference

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- When using the stylus, you do not need to grip it tightly or press it hard against the screen. Doing so may cause fatigue or discomfort.
- If your hands, wrists, arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists, arms or eyes during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

GETTING STARTED

To begin playing, insert the Petz® Catz® 2 Game Card into your Nintendo DS™ system and push the Power Button.

If you have already adopted a kitten, you will be able to resume play with her here by selecting your kitten from the Choose a Kitten menu. Otherwise, tap on any available New Kitty slot to adopt a new kitten!

CONTROLS

THE STORY

Your local Adoption Center has many kittens in need of a loving home. Once you take a kitten home, keep her happy with healthy food, fun toys, and tender care. In time, you can train your pet to increase her skills and help her reach new heights!

ADOPTION CENTER

The Adoption Center has 10 unique breeds of kittens to choose from. Tap the left and right arrows with the stylus to scroll through them all and pick your favorite. Achieve goals in-game to **unlock three hidden breeds!**

Abyssinian

Extremely agile and active. Curious, bold, and high spirited. Very energetic!

American

Quiet, but still sociable. Easily trained. Independently minded. Well-balanced kitten.

Ocicat

Active, curious, athletic, energetic, and talkative. Cunning and gets up to all sorts of mischief!

Persian

A big ball of fluffy love! Adores cuddling and is very affectionate.

Bengal

Graceful, strong, agile ... like a tamed tiger! Loves to climb and play with water. Very intelligent. Deeply loyal to their owners.

**Birman**

Sweet, dignified kitty with white "gloves." Active and playful, but not noisy! Long fur requires less grooming than other long-haired cats.

**Maine Coon**

This natural hunter loves to play. Friendly and easy-going, clowns around. Long fur is surprisingly easy to groom!

**Scottish Fold**

Look at those cute, round ears! Quiet kitty. Adores human companionship.

**Ragdoll**

Sweet-tempered and trusting. Playful, but also loves pampering.

**Siamese**

High intelligence. Misses you when you're away. Very affectionate in return.

**Hidden Breeds**

Unlock sets of Ribbonz to reveal three additional types of kittens!

PLAYING THE GAME

Welcome your kitten to its new home!

The top screen displays some basic information: your kitten's Name, Mood, and Needs. You can change this screen with the L and R Buttons.

The bottom screen shows your kitten exploring her surroundings.

Kitten Needs

Your kitten has various Needs: Food, Water, Litterbox, Grooming, Energy, and Love. When any kitten's Need falls to a certain level, she will "think" of the Need. Tapping on thought bubbles allows you to directly address a problem by automatically bringing you to it.

Your kitten needs to be groomed.

Your kitten is hungry.

Your kitten needs to use the litterbox.

The litterbox needs to be cleaned.

Your kitten wants to be petted.

Your kitten wants to play.

Your kitten is tired.

Your kitten is thirsty.

Moods

Your kitten can have a variety of Moods that are affected by her Needs being attended to and some breed-specific traits. These moods are reflected in the kitten's behavior and also in "emojicons" that are visible in each of the top screens.

Brave: The kitten is more likely to jump and climb. Attending to the kitten's Needs and giving her Catnip makes the kitten braver.

Happy: Your kitten is content. Attending to the kitten's Needs, especially Love, makes your cat happy.

Noisy: The kitten is more likely to meow and cry for your attention. Ignoring her or giving her Catnip can make her noisy.

Quiet: The flip side of noisy; she is less likely to meow.

Relaxed: The kitten's attention span is high. Meeting your kitten's food and water Needs makes her relaxed.

Sad: Your kitten is depressed and will meow for attention.

Restless: The opposite of relaxed. Catnip will make your kitty even more restless.

Scared: Your kitten is less likely to perform difficult jumps. You need to help make her brave.

If your kitten isn't willing to perform a certain activity, take a look at her Mood. She might need some cheering up!

Traits and Upgrades

The kitten has five Traits you can increase with training: Strength, Agility, Stamina, Intelligence, and her Bond with you.

Playing with the kitten and leading her to climb higher and higher will increase most Traits, and taking care of the kitten and cuddling her will increase your Bond.

Different kitten breeds have some different Traits. Some breeds can climb higher from the start, for example.

The bottom screen shows your kitten exploring her new home. In addition to the game display, the Touch Screen has a toolbar along the bottom. The toolbar buttons give you access to all your primary game options.

Toolbar

Ribbonz: Accomplish goals to receive Ribbonz. Ribbonz unlock new items and reward you with Coinz. **Unlock a row of Ribbonz to receive a big reward!**

Ubisoft warrants to the original purchaser of its products that the products will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubisoft products are sold "as is," without any expressed or implied warranties of any kind, and Ubisoft is not liable for any losses or damages of any kind resulting from use of its products. Ubisoft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment, or neglect of the product.

Limitations

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubisoft. Any implied warranties applicable to Ubisoft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. Notice

Ubisoft reserves the right to make improvements in its products at any time and without notice.

Refunds

Ubisoft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

Product / Documentation Replacements

Please contact a Ubisoft Technical Support representative directly before sending your product to us. In many cases, a replacement is not the best solution. Our Support representatives will help you determine if a replacement is necessary or available. You will need to first acquire an RMA (Return Materials Authorization) number to process your return or replacement. Without an RMA number from a support representative, your replacement request will not be processed.

If we determine a return or replacement is necessary:

Within the 90-Day Warranty Period

Please return the product (media only) along with a copy of the original sales receipt, showing the date of purchase, a brief description of the difficulty you are experiencing including your name, address (no PO boxes), and phone number to the address below. If the product was damaged through misuse or accident (cracks, scratches), or if you do not have a dated sales receipt, then this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period.

After the 90-Day Warranty Period

Please return the product (media only) along with a check or money order for the amount corresponding to your product (see replacement fees below) made payable to Ubisoft, a brief description of the difficulty you are experiencing, including your name, address (no PO boxes), RMA number, and phone number to the address below.
